Sandra Lampi Is Honored By Band

Miss Sandra Lampi, daughter of Mr. and Mrs. Robert O. Lampi, who is a senior at the University of Miami and a member of the U of M Band of the Hour, was recently honored by members of her band when she was presented with a gold charm bracelet as a token of appreciation of her leadership in directing a vocal group from the band and helping win the coveted trophy at the annual U of M Song Fest.

She was further honored at the rehearsal when Fred McCall, director of the Band of the Hour, announced that he was retiring his Band Blazer No. 91 and was presenting it to her to keep in recognition of her outstanding work and service in the band. Only three or four other U of M Band members previously have received this distinct honor. When a number is retired for outstanding service it is placed in the university's hall of fame.

George Tucker Is Renamed Council

With 844 voters participating in the city election in Pahokee on Tuesday of this week, City Councilman George Tucker was successful in his race for re-election by a vote of 533 to 312 for Patsy Wrotten, Pahokee's second woman council candidate. There were 15 absentee ballots cast, according to City Clerk Patricia Mackey.

R. F. Hurt was elected a week ago Tuesday over Tiny Rogers for a seat on the council and Guy Wood was named chief of police over Grady Chancellor. Mr. Hurt was sworn in last week and is now serving on the council. Other members with Hurt and Tucker are Carmen Salvatore, Joe Thompson and Harry B. Elarbee.

In the first election Mrs. Wrotten was high and Mr. Tucker second. They eliminated A. J. Gamot in the first election.

Quarter Century Doing 1 Thing Well

A quarter of a century doing one thing well—that's Robert O. Lampi, director of the Pahokee High School Band. And, how well he has done that one job is proven by the dozens and dozens of "firsts" his bands have won in district and state-wide competition over that 25 year period.

Coming to Pahokee in 1940 from New Port Richey, on the west coast of Florida, young Lampi's bands were a "hit" from the first year. Never once has he slackened his pace in his honest efforts to make the Pahokee band the very best that talent would allow.

Now comes a day to mark that 25 years of unfiring effort—a band concert at the high school auditorium at 3:00 p. m. this coming Sunday—May 16. Members of the 1965 high school band will look their very best on that day and their presentations will be their very finest. The auditorium should be filled to overflowing for the outstanding occasion.

Special invitations to the 37 members of Mr. Lampi's first band (1940-41) are being sent, inviting them to be present at the concert. All other band alumni down through the years are also invited as special guests. Mr. Lampi and the 1965 band at the concert.

Speech Mobile For Palm Beach County

Palm Beach County's public school system has added a "speech mobile" to its program to help children who have speech difficulties.

County Supt. Robert W. Fulton said the specially adapted and equipped truck has cost \$3,000 and will allow skilled speech therapists, with special equipment, to help such children in all parts of the county, under much improved conditions.

The "speech mobile" is being operated from Royal Palm School, 375 DeSoto Road, West Palm Beach, under the direction of Mrs. Marjorie Crick, coordinator for this school for exceptional children.

Starting this Monday, May 10, the "speech mobile" will visit the following elementary schools: Military Trail (Monday), Highland, Lake Worth (Tuesday), Palmetto, West Palm Beach (Wednesday), Westgate (Thursday), and both Northboro and Southboro schools, Lake Worth (Friday).

Mrs. Crick said the mobile unit is carpeted, air-conditioned, has its own projection instrument and screen to help children learn the correct way to produce the sounds of the alphabet and words, a tape recorder, and other apparatus. "Above all, it affords a quiet place for children to learn," she said, "whereas we have sometimes had to work with such children, needing this help, on stages or quite noisy corners."

Mr. and Mrs. Delmar L. Hooks visited their son, John Howard Hooks, in Miami last weekend.

Stars Are Attending Miami Beach Meet

Members of Pahokee Chapter 184, Order of Eastern Star, who are attending the 60th annual meeting, "The Heart of Starlight Session," of Florida Grand Chapter, OES, in the Municipal Auditorium, Miami Beach, this week May 11-14, are Mrs. Ruth V. Meredit, grand representative to Missouri; Mrs. Jessie Barnes, District 18 chairman of the OES Magazine; Mrs. Grace Graham, worthy matron; Mrs. Eunice Hughes, associate warden; Mrs. Jennie McKinstry, secretary; and Mrs. Adeline Wrotten, past matron. While attending the session the group will have its headquarters at the Delano Hotel, Miami Beach.

Ground Is Broken \$40,000 Parsonage

The first spadeful of dirt has been turned for construction of the new \$40,000 parsonage for the First Methodist church in Pahokee. The ceremony was on the site of the proposed structure in the eight hundred block on East Main street.

Mrs. W. S. Plumer and Mrs. James L. Moore, co-chairmen of the committee, along with the pastor, Rev. John A. Briley, L. J. Fraser, Mrs. Robert Apelgren, Mayor Duncan Padgett and Dr. R. C. Lane were active participants along with many members of the church at the ground breaking ceremony.

After Rev. J. W. Baugher, pastor of the Canal Point Methodist Church, sang "Bless This House, O Lord We Pray," a gold shovel was used by Mrs. Plumer, to turn the first shovelful of soil. Each member of the committee then took turns at the shovel, after which everyone present was invited to have a hand in the ground breaking.

Funeral Services William M. Brown

Funeral services were held yesterday (Thursday) afternoon at the Canal Point Baptist church for William M. Brown, 69, who died Tuesday afternoon. Burial was at Port Mayaca Cemetery. Services were under the direction of Rev. Lawrence Stewart, pastor of the church.

Survivors include his widow, Elizabeth; a son, Charles, both of Pahokee; three brothers, Roland, Nelson of Lawton, Okla., Buck and Hillary Nelson, both of Richmond, Calif.; three sisters, Mrs. Nila Boyett of Porterville, Calif., Mrs. Tidie Faulkner of McCamey, Texas, and Mrs. Temp Blankenship of Waco, Texas.

TO ATTEND RECITAL

Mrs. Joseph Kahn, former Pahokee resident now residing in Belle Glade, plans to attend this week the recital of the University of Georgia Symphony Orchestra at Athens, Ga., her daughter, Mrs. Stanley Yerlow, being among those who will take part in the performance.

Litter Cans To Can Litter In Pahokee

Literally speaking, it's going to be a lot easier to keep litter off the streets of downtown Pahokee following the successful Litter Can Decorating Contest, sponsored jointly by the Pahokee Garden Club and the Pahokee High School Student Council for students, 7th through 12th grades.

The purpose of the contest was "to make litter cans attractive and remind people to be litter careful." The setting was at the City Park, where the student contestants on Friday afternoon and Saturday painted various designs and slogans on the city's yellow litter cans to attract attention and encourage persons to make greater use of the receptacles for trash and litter. The judging was based on originality, neatness, follow through in the relationship of design and slogan and completeness. Cash prizes of \$5, \$3, and \$2 were awarded for first, second and third places.

As Usual, Pahokee Band Wins First

The Pahokee High School Band, under the direction of Bandmaster Robert O. Lampi, won a first place superior rating in sight reading and a second place excellent rating in concert at the State Band Contest (Southern Division) held at the Miami Edison Senior High School Friday.

Unable to participate in the contest because they were recuperating from severe physical injuries were two key members of the band — Richard Batchelor, solo cornetist, and Dicky Hurt, trombonist.

In the solo contests Faye Harris received a second place excellent rating for her piano solo. The flute trio, from the band, including Ginger Willis, Kathy Boynton and Tammy Branch, also received a second place excellent rating.

Dinner Meeting To Mark Season End

Members of the Philathaea Class of the Pahokee First Baptist Church School, at the meeting in the fellowship hall of the church Thursday night, made plans for a dinner meeting at Selma's Restaurant, Chancy Bay, the evening of May 28, this to be the last meeting of the group for the season.

Mrs. Theo Youngblood, president, presided. Mrs. E. B. Gamble, class teacher, gave the devotionalals. Mrs. Paul Watson and Mrs. Dave Young were hostesses during the serving of refreshments.

The next social and business meeting of the class will be Sept. 2.

Mrs. Lester Hand, accompanied by her nephew, Tommy, is expected to return this weekend from a visit with her brother-in-law and sister, Mr. and Mrs. Harold Black, in New Orleans, La.

**2400 Phones Serve
Pahokee - Canal Pt.**

Pahokee reached a significant milestone in its commercial history May 1, 1965, when its 2400th telephone was installed, it was disclosed today. The Pahokee exchange serves Pahokee, Canal Point, Sand Cut and Port Mayaca.

Pete McClellan, local Manager of Southern Bell said that the rapid increase in number of telephones indicate the growth and progress of Pahokee and the South. He pointed out that Pahokee's telephone exchange was established in May of 1932. From this beginning, the number of telephones increased to around 256 in 1940, 732 in 1950, 1626 in 1960, and 2400 today.

To meet increased demands in Pahokee, Southern Bell is engaged in a large improvement and expansion program. Mr. McClellan said that these efforts are aimed at meeting full telephone service needs. The initial step in this expansion was recently taken when a contract was awarded to Wiggs and Maal Contractors of West Palm Beach, in the amount of \$35,000.00 to enlarge the Pahokee exchange building at 826 East Main Street.

This addition, according to McClellan, will add approximately 1,030 square feet to the present building. The space will provide for an immediate installation of equipment for 150 main telephones and for future growth.

**Billy Cypress Will
Be Made A Lieutenant.**

DELAND - Billy Cypress, whose Seminole ancestors battled the United States in the Everglades, will be commissioned a reserve second lieutenant in the Army when he graduates from Stetson University.

Born in an open-air chickee in the Everglades, Billy is believed to be the first of his tribe to graduate from a four-year university or receive a commission in the ROTC.

Cypress spoke no English until he was five years old, but will graduate with a major in English and a minor in education. He graduated from high school in the top 10 per cent of his class and won a four-year scholarship to Stetson from the Daughters of the American Revolution.

He plans to do graduate work this summer and will go on active duty in the Army in September for two years. Then, he plans to teach in Florida public schools when he leaves the Army.

VISITS GRANDSONS

Mrs. George B. Ramey spent the weekend with her grandsons, Graham and Bryan Miller, at Rockledge while their parents, Mr. and Mrs. Hugh G. Miller, III, were in Tallahassee attending the State Swim Meet. Mr. Miller, who is a commercial studies teacher at Cocoa Senior High School, serves also as swimming coach at Cocoa High.

**Illegal Trucking
To Be Wiped Out**

TALLAHASSEE - Florida Public Utilities Commission investigators continued an unrelenting campaign to wipe out illegal trucking operations in the State in March, charging 177 truckers with violation of state transportation laws.

The arrests included 107 for failure to have proper authority from the State to haul cargoes found in their vehicles, Chairman Edwin L. Mason said today.

Thirty-seven of the "no authority" cases were made against truckers hauling products that are exempt from interstate regulation, but which require registration with which require Commission in order to be transported in this State, Mason said.

Others charged with illegal operations were towing or hauling house trailers, hauling building materials, construction aggregates, household goods, passengers and a variety of a dozen other types of cargoes.

The truckers posted a total of \$15,965 in counties where arrests were made, bringing the total of bonds posted in the first three months of this year to \$54,765.

The Utilities Commission's investigators charged 47 drivers with improper identification, and 23 with violation of state safety rules.

"So far this year, our investigators have ordered 254 vehicles off the highways," Mason declared, "because they were considered imminently hazardous—accidents on their way to a place to happen."

Defects must be corrected and inspected before they are allowed to proceed, Mason said.

Commission agents made 1,255 safety inspections of motor carriers' vehicles, and issued citations in 1,076 cases, in addition to the sidelined vehicles.

"We are most concerned with the economic effects of illegal trucking operations," Mason said, "because every one of them is depriving law-abiding operators of revenues to which they are entitled."

"But unsafe vehicles also are of vital interest because they are a hazard to every motorist on a highway in Florida."

**Mother Honored
By Pahokee Baptists**

Mothers receiving special recognition during the morning worship service at the Pahokee First Methodist Church were Mrs. Calvin A. Shive, the eldest mother; Mrs. D. R. Johnson, youngest; and Mrs. Joe Hatton, Sr., mother with the largest number of children present.

Each was presented with powdered mums as Mother's Day gift.

Mrs. H. L. Jaudon and daughter, Vera June, of Wauchula were overnight guests in Pahokee from her brother-in-law and sister, Mr. and Mrs. Wiley Tillis, Thursday. They were accompanied by Mary Lynn Keller.

A famed Russian dancer defected,

And what could be drearier?...

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my H Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,900, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

**Keep freedom in your future with
U.S. SAVINGS BONDS**

Porpoise Talks Over The Telephone

SARASOTA—The world's first "porpoise-to-porpoise" long distance telephone call was made recently as Moby Dick, star of the porpoise show at Floridaland, Sarasota attraction, called Keiki, a performing porpoise at Sea-Life Park in Hawaii.

Moby Dick "talked" to Keiki by means of a telephone apparatus which operates under water. The equipment was supplied by General Telephone Co. of Florida and the Hawaii Telephone Co.

The novel experiment was made with the knowledge that porpoises have definite communication possibilities. Scientists have found that porpoises have well developed mental processes, including emotions such as joy and sorrow.

General Telephone Co. representatives have not revealed the contents of the discussion by the two porpoises.

Miss Margie Diane Hollon, daughter of Mr. and Mrs. E. F. Hollon became the bride of William Ralph Kennedy, son of Mr. and Mrs. Norman Kennedy, in a candle-light ceremony Saturday evening May 8 at the Canal Point Methodist church.

The Rev. Robert Shelley of Alachua performed the double-ring ceremony before the chancel decorated with palms and six seven-branched candelabra, altar arrangements of white Glads, Carnations and Ivy in brass containers and matching side baskets of same flowers. White satin bows centered with Ivy marked the family pews.

The soloist was the Rev. J. W. Baugher, pastor of the church, who sang "Because", "Till" and "The Lord's Prayer". Miss Sharon Johnson was the accompanist and played nuptial music and the traditional wedding march.

Mrs. Louis Lombard of Miami, cousin of the bride was matron of honor, Miss Dottie Lair was bride's maid and little Miss Kim Murphy of Clewiston, also a cousin of the bride, was junior bride's maid. They were gowned in identical floor length dresses of shocking pink silk organza over taffeta and featured scooped neckline and elbow length sleeves. A self bow with streamers complemented the backs of the skirts. They wore matching petal hats with nose veils and carried bouquets of deep pink carnations. Mr. Kennedy's best man was Jeff Barwick, ushers were Mac Crews, Walter Young and James Veal. Gray Hollon, brother of the bride, was junior usher.

Given in marriage by her father, the bride wore a gown of Chantilly lace over taffeta with a scalloped neckline and wrist point sleeves. Her full skirt of tiered lace extended in a chapil train. The elbow length veil of silk illusion fell from a crown of lace and pearls. She carried a cascade bouquet of white carnations centered with a white orchid. Her single strand of pearls was a gift from the groom.

The bride's mother chose for her daughter's wedding a natural colored lace dress with matching accessories.

The bride groom's mother wore rose-beige lace dress and bone accessories. Both the mothers and the grandmother of the bride, Mrs. H. L. Sears, wore carnation corsages.

Following the ceremony a reception was given by the bride's parents in the social hall of the church. Mrs. Ron Ter Haar was in charge of the guest book. The bride's table was covered with a white lace cloth over pink and centered with a five branched silver candelabra with pink tapers and entwined with a floral arrangement of pink carnations, baby's breath and leather leaf fern. The four-tiered cake, decorated with pink roses was served by Mrs. Hilburn Murphy of Clewiston and Miss Janie Lee of Lake Worth. Punch and sandwiches were served by Miss Gayle Sears, Miss Ann Peacock and Mrs. Jeff Barwick. Others assisting with the reception were Mrs. Wendell Harris, Mrs. O. H. Sheppard, Mrs. Lloyd Hundley, Mrs. W. K. Buchanan and Mrs. Lester Hand who made the pink tree which was hung with little pink net bags of rice.
